2015  
978-967-440-138-2 | Wan Mohamad Nasir bin Wan Othman, A. Hamid bin Mohamad, Norlela Yacob, Haslinda Ramli, Aspalilah Alias

USIM adopts the philosophy of integrating *naqli* and *aqli* knowledge. This integration permeates the entire activities of USIM encompassing teaching-learning, research, community engagement and health care services. It has successfully developed a unique model of integration of *naqli* and *aqli*.

This book takes us on a journey to explore the challenges and experiences of the Faculty of Dentistry in developing a curriculum based on USIM's Model of Integration of *Naqli* and *Aqli*. The integration of *naqli* and *aqli* knowledge for the Bachelor of Dental Surgery (BDS) Programme, Universiti Sains Islam Malaysia (USIM) is to produce safe dental practitioners who are able to practice independently and infused with Islamic values. It describes the involvement of the faculty members in harmonising their courses in accordance with this conceptual framework of the curriculum.

This book is envisaged to be useful for all educators who are interested in designing or reviewing their curriculum based on USIM's Model of Integration of *Naqli* and *Aqli*. It provides a succinct description of the conceptual framework in the design of a curriculum that also incorporates the Outcome-based education (OBA) approach and blended learning in a curriculum for the Bachelor of Dental Surgery programme.

**HUMANIVERSITY: REMEMBERING THE MORAL SOUL OF EDUCATION**

978-967-440-140-5 | James Campbell

The higher institutions nowadays faced an extremely competitive competition from others institutions, in which they also need to cope with the demand and the expectation of the people surrounding them. Some of the value that is used to be held in the higher institutions seems to be forgotten just for the sake of profit or even for self advancement. This book will discuss The Humaniversity, a concept that discusses the humanity, knowledge and moderation in the higher institutions. Through the concept of Humaniversity, readers will be exposed to the correlation between Humaniversity and theory, spiritual philosophy and historical discourse. This will bring readers to the Islamic concepts of Adab, which will be briefly discussed in the book.

| RM45.00

978-967-440-126-9 | Muhammad Widus Sempo

Bolehkah Rasulullah SAW berijihad atau tidak? Jika boleh, bagaimana pula respon Al-Qur'an? Adakah ijihad Rasulullah diterima tanpa sebarang perbahasan?

Buku ini berupaya menjawab perkara-perkara di atas untuk mengelak salah paham yang melingkari perbezaan pendapat dalam kalangan ulama di mana sebahagian dari mereka menafikan ijihad Rasulullah SAW, meskipun majoriti dari mereka membenarkan.

Buku ini menghuraikan tata cara Al-Qur'an dalam ijihad Rasulullah SAW dalam pelbagai perkara. Penulis telah membuat analisa ayat-ayat Al-Qur'an yang turun menjelaskan ijihad dengan pendekatan *asbabun nuzul*.

**TAWAIF AN-NAS AMAM HIDAYAH AL-QURAN**

2015

Abdul Qadir Umar Usman Al-Hamidy

Al-Quran diturunkan sebagai panduan dan petunjuk kepada manusia dan melindungi daripada kesesatan. Tetapi hidayah dan petunjuk yang diterima setiap manusia berbeza-beza tertakluk kepada qadak dan qadar yang telah ditentukan Allah.

Buku ini menghuraikan perkara ini dengan jelas. Ada manusia yang mendapat hidayah dan berpegang teguh dengannya, manakala ada segelintir manusia pula bongkok dan sompong serta berpaling daripada ajaran yang telah ditetapkan Al-Quran dan hadis. Mereka itu adalah orang kafir dan orang yang lalai dengan hal dunia dan mengabaikan akhirat.

Di akhir buku ini penulis telah memberi beberapa kesimpulan dan penyelesaian dalam menghadapi manusia yang lalai dan mengutamakan dunia dan azab-azab yang akan mereka terima di hari pembalasan.
